

# GOD'S BIG PICTURE

Bible Overview Course

You may have many questions about the Bible, whether you've been a Christian for a long time, or are relatively new to faith:

- How does the idea of God creating the earth fit with current scientific knowledge?
- What have Old Testament stories like Daniel in the lion's den got to do with Jesus Christ?
- What relevance does the early church have for us today?

A new group will be meeting to look at God's message for us as given in the Bible and a framework in which these and other questions might be answered.

We plan to meet in the following evenings (later dates more flexible, depending on group members):

- Thursday 27th September;
- Thursday 11<sup>th</sup> & Tuesday 30th October;
- Tuesday 13<sup>th</sup> & 20th November;
- Tuesday 4th December;
- Tuesday 15th & 29th January; and
- Tuesday 12th February.
